To all Police Retired Members of RFPA

In December 2006, the Members of the San Diego Police Officer's Association voted to all Retired Police Members of the Retired Fire and Police Association to join the San Diego Police Officer's Association as Associate Members.

The main reason we worked to have you join the SDPOA was because it provides us, the retirees, representation before the City in matters relating to Retirement Issues. It also strengthens the SDPOA by adding more Members.

Many Members of the RFPA regularly attend Retirement Meetings, City Council Meetings and work on Committees like the Retirement Issues Task Force.

If you want to join the SDPOA, please complete the enclosed form and mail it to:
